

Compaq Presario Desktop Products

Warranty and Support Guide

- ✓ 1 Year Parts Replacement on Hardware with Available Shipment of Replacement Parts — Compaq's award-winning Easy Access Design makes it easy!
- ✓ 1 Year Free Labor on Hardware
- ✓ 1 Year Free Hardware Technical Support
- ✓ 30 Days Free Software Technical Support to Get You Up-and-Running

IMPORTANT NOTE

If you experience a problem with your new Presario, DO NOT RETURN YOUR COMPUTER TO YOUR RETAILER. At Compaq, we take pride in our ability to service your needs. We have specialists available to help you with your technical support questions as they arise via the Web or phone (see Contact Numbers chart within this document). As our valued customer, we want to make sure that your support needs are met and any issues resolved as quickly as possible.

The information in this document is subject to change without notice.

Before contacting Compaq Customer Support Center, it's important to have the following information handy. Please take a moment to write down your product information, located on the rear of the PC, for future reference.

COMPAQ PRESARIO DESKTOP PRODUCTS

Warranty and License Information

EXCEPT AS EXPRESSLY SET FORTH IN THIS LIMITED WARRANTY, HP MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. HP EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT STATED IN THIS LIMITED WARRANTY. ANY IMPLIED WARRANTIES THAT MAY BE IMPOSED BY LAW ARE LIMITED IN DURATION TO THE LIMITED WARRANTY PERIOD. SOME STATES, COUNTRIES/REGIONS OR PROVINCES DO NOT ALLOW A LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR CONSUMER PRODUCTS. IN SUCH STATES, COUNTRIES/REGIONS OR PROVINCES SOME EXCLUSIONS OR LIMITATIONS OF THIS LIMITED WARRANTY MAY NOT APPLY TO YOU.

This Limited Warranty applies to HP branded and Compaq branded hardware products (collectively referred to in this Limited Warranty as "HP branded products") sold by Hewlett-Packard Company or Compaq Computer Corporation, a wholly owned subsidiary of the Hewlett-Packard Company in the United States, its worldwide subsidiaries, affiliates, authorized resellers, or country/region distributors (collectively referred to in this Limited Warranty as "HP") with this Limited Warranty.

To Our Valued Customer

Congratulations on your decision to purchase a Compaq Presario PC! During development, the Compaq Presario must pass extensive quality tests to meet the rigorous standards that have made Compaq famous for quality and reliability.

All Compaq Presarios go through a comprehensive quality test to ensure the PC is working correctly before it leaves our factory. In addition, we have placed a security seal on your PC to indicate that it has not been tampered with since it left our factory.

We know that expanding and upgrading are key benefits for all customers. We are proud to make this a key differentiator for our Compaq Presario and understand that you may wish to upgrade your PC to meet your specific needs.

Any hardware upgrades that you intend to do should only be done after you have completely set up your new Compaq Presario. Refer to the setup poster included with your system for help with setting up. If you have any problems setting up your system and turning it on, immediately contact the Compaq Customer Support Center listed earlier in this *Warranty and Support Guide*, and a Compaq Customer Representative will assist you. This must be done first before attempting to upgrade your system.

By breaking the security seal on the back of the Compaq Presario, you are confirming that the Compaq Presario was working properly before you attempted to upgrade your system. Once the security seal has been broken, your Compaq Presario is then, to the extent allowed by local law, covered under the terms and conditions listed in the following pages.

Thank you for choosing the Compaq Presario. We hope you enjoy discovering the exciting things you can do with it!

Compaq Customer Support

Easy to reach. Easy to use. Award-winning Compaq Customer Support is our promise to help you get the most from your Compaq Presario. Whether with tools located on your PC, from information on the Web, by phone, or through your local retailer, you'll find what you need.

Problems? Compaq Will Help

Your new Compaq Presario computer is built to work right now — and for many years to come. But it is a complex, powerful machine, and sometimes things go wrong. If that happens to your computer, Compaq is ready to help.

Getting Started

Follow the setup poster for help with setting up and using your PC.

Register Your PC

It is always best to register your PC. This allows for quicker help when you need it. You can register your PC on the Web at <http://register.hp.com>

Call Compaq Customer Support Center

Finally, if these steps don't help, you can reach a real, knowledgeable person by calling the Compaq Customer Support Center in your area. Phone assistance to get you up and running is free for 30 days from the time you purchased your computer. After 30 days, there may be a charge, but the helpful support is still available.

And, if Necessary: Get Repair

If your computer needs to be repaired or to have parts replaced, you have two choices:

- 1** You can easily replace many of your Compaq Presario parts that are considered consumer replaceable. This is the fastest method of repair, as many times we can send the part directly to your home or business in a few days. This service is free for one year from the date you purchased your computer.
- 2** If a repair is necessary, the Compaq Customer Support Center will make arrangements to fix your computer. This service is free for one year from the date you purchased your computer.

There are a few limitations and exclusions to this warranty (as well as some important details), which are described in the following section.

The Legal Language

Compaq Limited Warranty Statement

COMPAQ PRODUCT DURATION OF LIMITED WARRANTY

Hardware — Parts and Labor:	1 Year
Phone assistance to get you up-and-running:	30 days

Compaq warrants to you, the end-user customer, that Compaq hardware, accessories, and supplies will be free from defects in materials and workmanship after the date of purchase, for the period specified above. If Compaq receives notice of such defects during the warranty period, Compaq will, at its option, either repair or replace products which prove to be defective. Replacement products may be either new or equivalent in performance to new.

Compaq warrants to you that Compaq software will not fail to execute its programming instructions after the date of purchase, for the period specified above, due to defects in material and workmanship when properly installed and used. If Compaq receives notice of such defects during the warranty period, Compaq will replace software which does not execute its programming instructions due to such defects.

Compaq does not warrant that the operation of Compaq products will be uninterrupted or error free. If Compaq is unable, within a reasonable time, to repair or replace any product to a condition as warranted, you will be entitled to a refund of the purchase price on a prorated basis upon prompt return of the product.

Compaq products may contain remanufactured parts equivalent to new in performance or may have been subject to incidental use.

Warranty does not apply to defects resulting from (a) improper or inadequate maintenance or calibration, (b) software, interfacing, parts, or supplies not supplied by Compaq, (c) unauthorized modification or misuse, (d) computer viruses of any origin, (e) operation outside of the published environmental specifications for the product, (f) improper site preparation or maintenance, or (g) unplanned acts of nature, such as floods, tornadoes, lightning strikes, hurricanes, or earthquakes. TO THE EXTENT ALLOWED BY LOCAL LAW, THE ABOVE WARRANTIES ARE EXCLUSIVE AND NO OTHER WARRANTY OR CONDITION, WHETHER WRITTEN OR ORAL, IS EXPRESSED OR IMPLIED AND COMPAQ SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, AND FITNESS FOR A PARTICULAR PURPOSE. Some countries/regions, states, or provinces do not allow limitations on the duration of an implied warranty, so the above limitation or exclusion might not apply to you. This warranty gives you specific legal rights and you might also have other rights that vary from country/region to country/region, state to state, or province to province.

Compaq's limited warranty is valid in any country/region or locality where Compaq has a support presence for this product and where Compaq has marketed this product. The level of warranty service you receive may vary according to local standards. Compaq will not alter form, fit, or function of the product to make it operate in a country/region for which it was never intended to function for legal or regulatory reasons.

TO THE EXTENT ALLOWED BY LOCAL LAW, THE REMEDIES IN THIS WARRANTY STATEMENT ARE YOUR SOLE AND EXCLUSIVE REMEDIES. EXCEPT AS INDICATED ABOVE, IN NO EVENT WILL COMPAQ OR ITS SUPPLIERS BE LIABLE FOR LOSS OF DATA OR FOR DIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL (INCLUDING LOST PROFIT OR DATA), OR OTHER DAMAGE, WHETHER BASED IN CONTRACT, TORT, OR OTHERWISE. Some countries/regions, states, or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

THE WARRANTY TERMS CONTAINED IN THIS STATEMENT, EXCEPT TO THE EXTENT LAWFULLY PERMITTED, DO NOT EXCLUDE, RESTRICT, OR MODIFY AND ARE IN ADDITION TO THE MANDATORY STATUTORY RIGHTS APPLICABLE TO THE SALE OF THIS PRODUCT TO YOU.

Limited Warranty Exclusions

PLEASE NOTE THE FOLLOWING IMPORTANT WARRANTY EXCLUSIONS:

Compaq does not support, or provide support for hardware and software products not supplied or approved by Compaq.

Compaq does not provide software technical support for Linux operating systems or other Linux applications, whether or not they were supplied or approved by Compaq.

Compaq does not support or guarantee, and is not in any way liable for non-Compaq or Compaq/HP products or peripherals bundled along with the Compaq Presario.

Software Media (CDs)

The software CDs that come with your system are warranted to be free from defects for one year. Any claims for missing CDs need to be made within 30 days. Any claims for defective CDs may require the exchange of the CDs.

Customer Responsibilities

You may be required to run Compaq-supplied diagnostic programs before an in-home visit will be scheduled or a replacement part will be dispatched.

You are responsible for the security of your proprietary and confidential information and for maintaining a procedure external to the products for reconstruction of lost or altered files, data, or programs. You should back up all data on your system before calling the Compaq Customer Support Center.

For In-home service, you must provide: access to the product; adequate working space and facilities within a reasonable distance of the product; access to and use of all information and facilities determined necessary by Compaq to service the product; and operating supplies and consumables such as you would use during normal operation.

When service is being performed in-home, you or your representative, 18 years of age or older, must be present at all times. You must state if the product is being used in an environment which poses a potential health hazard to repair personnel; Compaq may require that the product be maintained by customer personnel under direct Compaq supervision. Compaq may also refuse to provide In-home service in special circumstances and will provide an alternative repair method such as Carry-in repair.

Obtaining Hardware Warranty Repair Service

For the duration of the one-year parts and labor warranty, repair service includes Customer-replaceable Parts services, Carry-in services, and In-home services as described below. To obtain hardware warranty service, call the Compaq Customer Support Center. You must be prepared to supply the proof-of-purchase date.

The time it takes to repair your computer will vary based upon location and circumstances. The phone agent can supply more details.

Customer-Replaceable Parts Services

Customer-replaceable components — such as the keyboard, mouse, speakers, and monitor — may be serviced through expedited part shipment. In this event, Compaq will send you the component and, if necessary, telephone assistance on replacement of the component. In some cases, Compaq will ask for a credit card as collateral for the part (such as monitors) and will charge you for the retail price of the part if the failed product is not returned within 30 days.

Carry-In Services

Hardware service during the one-year warranty period is provided by bringing or mailing your PC to a Compaq Presario authorized service provider. The Compaq Customer Support Center can provide you with details on the location nearest you.

In-Home Services

In-home service is available for certain products sold and serviced in the country/region of purchase only and is unavailable in certain locations. The Compaq Customer Support Center can give you more information.

Software Support Information

While HP provides support for the PC hardware, HP does not provide technical support for the Linux operating system that shipped with your system. Operating system support is provided through the Linux Software provider.

The Linux Software provider will give e-mail support for the Linux operating system.

The open source code for Linux is available from the Linux Software provider.

Information for this provider and the above services is provided in a separate document.

END-USER LICENSE AGREEMENT

PLEASE READ CAREFULLY BEFORE USING THIS EQUIPMENT: This End-User License Agreement ("EULA") is a legal agreement between (a) you (either an individual or a single entity) and (b) Hewlett-Packard Company ("HP") that governs your use of any Software Product, installed on or made available by HP for use with your HP product ("HP Product"), that is not otherwise subject to a separate license agreement between you and HP or its suppliers. Other software may contain a EULA in its online documentation. The term "Software Product" means computer software and may include associated media, printed materials and "online" or electronic documentation. An amendment or addendum to this EULA may accompany the HP Product.

RIGHTS IN THE SOFTWARE PRODUCT ARE OFFERED ONLY ON THE CONDITION THAT YOU AGREE TO ALL TERMS AND CONDITIONS OF THIS EULA. BY INSTALLING, COPYING, DOWNLOADING, OR OTHERWISE USING THE SOFTWARE PRODUCT, YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA. IF YOU DO NOT ACCEPT THESE LICENSE TERMS, YOUR SOLE REMEDY IS TO RETURN THE ENTIRE UNUSED PRODUCT (HARDWARE AND SOFTWARE) WITHIN 14 DAYS FOR A REFUND SUBJECT TO THE REFUND POLICY OF YOUR PLACE OF PURCHASE.

1. GRANT OF LICENSE. HP grants you the following rights provided you comply with all terms and conditions of this EULA:

a. Use. You may use the Software Product on a single computer ("Your Computer"). If the Software Product is provided to you via the Internet and was originally licensed for use on more than one computer, you may install and use the Software Product only on those computers. You may not separate component parts of the Software Product for use on more than one computer. You do not have the right to distribute the Software Product. You may load the Software Product into Your Computer's temporary memory (RAM) for purposes of using the Software Product.

b. Storage. You may copy the Software Product into the local memory or storage device of the HP Product.

c. Copying. You may make archival or back-up copies of the Software Product, provided the copy contains all of the original Software Product's proprietary notices and that it is used only for back-up purposes.

d. Reservation of Rights. HP and its suppliers reserve all rights not expressly granted to you in this EULA.

e. Freeware. Notwithstanding the terms and conditions of this EULA, all or any portion of the Software Product which constitutes non-proprietary HP software or software provided under public license by third parties ("Freeware"), is licensed to you subject to the terms and conditions of the software license agreement accompanying such Freeware whether in the form of a discrete agreement, shrink wrap license, or electronic license terms accepted at time of download. Use of the Freeware by you shall be governed entirely by the terms and conditions of such license.

f. Recovery Solution. Any software recovery solution provided with/for your HP Product, whether in the form of a hard disk drive-based solution, an external media-based recovery solution (e.g. floppy disk, CD, or DVD) or an equivalent solution delivered in any other form, may only be used for restoring the hard disk of the HP Product with/for which the recovery solution was originally purchased.

2. UPGRADES. To use a Software Product identified as an upgrade, you must first be licensed for the original Software Product identified by HP as eligible for the upgrade. After upgrading, you may no longer use the original Software Product that formed the basis for your upgrade eligibility.

3. ADDITIONAL SOFTWARE. This EULA applies to updates or supplements to the original Software Product provided by HP unless HP provides other terms along with the update or supplement. In case of a conflict between such terms, the other terms will prevail.

4. TRANSFER.

a. Third Party. The initial user of the Software Product may make a one-time transfer of the Software Product to another end user. Any transfer must include all component parts, media, printed materials, this EULA, and if applicable, the Certificate of Authenticity. The transfer may not be an indirect transfer, such as a consignment. Prior to the transfer, the end user receiving the transferred product must agree to all the EULA terms. Upon transfer of the Software Product, your license is automatically terminated.

b. Restrictions. You may not rent, lease, or lend the Software Product or use the Software Product for commercial timesharing or bureau use. You may not sublicense, assign, or transfer the license or Software Product except as expressly provided in this EULA.

5. PROPRIETARY RIGHTS. All intellectual property rights in the Software Product and user documentation are owned by HP or its suppliers and are protected by law, including but not limited to United States copyright, trade secret, and trademark law, as well as other applicable laws and international treaty provisions. You shall not remove any product identification, copyright notices, or proprietary restrictions from the Software Product.

6. LIMITATION ON REVERSE ENGINEERING. You may not reverse engineer, decompile, or disassemble the Software Product, except and only to the extent that the right to do so is mandated under applicable law notwithstanding this limitation or it is expressly provided for in this EULA.

7. TERM. This EULA is effective unless terminated or rejected. This EULA will also terminate upon conditions set forth elsewhere in this EULA or if you fail to comply with any term or condition of this EULA.

8. CONSENT TO USE OF DATA. You agree that HP and its affiliates may collect and use technical information you provide in relation to support services related to the Software Product. HP agrees not to use this information in a form that personally identifies you except to the extent necessary to provide such services.

9. DISCLAIMER OF WARRANTIES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, HP AND ITS SUPPLIERS PROVIDE THE SOFTWARE PRODUCT "AS IS" AND WITH ALL FAULTS, AND HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, EITHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE AND NON-INFRINGEMENT, ANY IMPLIED WARRANTIES, DUTIES OR CONDITIONS OF MERCHANTABILITY, OF FITNESS FOR A PARTICULAR PURPOSE, AND OF LACK OF VIRUSES ALL WITH REGARD TO THE SOFTWARE PRODUCT. Some states/jurisdictions do not allow exclusion of implied warranties or limitations on the duration of implied warranties, so the above disclaimer may not apply to you in its entirety.

10. LIMITATION OF LIABILITY. Notwithstanding any damages that you might incur, the entire liability of HP and any of its suppliers under any provision of this EULA and your exclusive remedy for all of the foregoing shall be limited to the greater of the amount actually paid by you separately for the Software Product or U.S. \$5.00. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL HP OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS OR CONFIDENTIAL OR OTHER INFORMATION, FOR BUSINESS INTERRUPTION, FOR PERSONAL INJURY, FOR LOSS OF PRIVACY ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT, OR OTHERWISE IN CONNECTION WITH ANY PROVISION OF THIS EULA) EVEN IF HP OR ANY SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF THE REMEDY FAILS OF ITS ESSENTIAL PURPOSE. Some states/jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

11. U.S. GOVERNMENT CUSTOMERS. Consistent with FAR 12.211 and 12.212, Commercial Computer Software, Computer Software Documentation, and Technical Data for Commercial Items are licensed to the U.S. Government under HP's standard commercial license.

12. COMPLIANCE WITH EXPORT LAWS. You shall comply with all laws and regulations of the United States and other countries/regions ("Export Laws") to assure that the Software Product is not (1) exported, directly or indirectly, in violation of Export Laws, or (2) used for any purpose prohibited by Export Laws, including, without limitation, nuclear, chemical, or biological weapons proliferation.

13. CAPACITY AND AUTHORITY TO CONTRACT. You represent that you are of the legal age of majority in your state of residence and, if applicable, you are duly authorized by your employer to enter into this contract.

14. APPLICABLE LAW. This EULA is governed by the laws of the State of California, U.S.A.

15. ENTIRE AGREEMENT. This EULA (including any addendum or amendment to this EULA which is included with the HP Product) is the entire agreement between you and HP relating to the Software Product and it supersedes all prior or contemporaneous oral or written communications, proposals, and representations with respect to the Software Product or any other subject matter covered by this EULA. To the extent the terms of any HP policies or programs for support services conflict with the terms of this EULA, the terms of this EULA shall control.

Storage humidity: 90% @ 65° C (non-condensing)
Operating altitude: 0–2286 m
Storage altitude: 0–4572 m

Batteries are delivered with this product. When empty, do not throw them away but collect as small chemical waste.

Regulatory and Safety Information

WARNING: Text set off in this manner indicates that failure to follow directions could result in damage to equipment, loss of information, bodily harm, or loss of life.

WARNING: The PC is heavy; be sure to use ergonomically correct lifting procedures when moving the computer.

WARNING: Please read the “Additional Safety Information” located later in this document before installing and connecting your PC to the electrical power system.

ENERGY STAR Compliance

Compaq Presario PCs and Monitors marked with the ENERGY STAR® logo on the packaging box qualify with the U.S. Environmental Protection Agency’s ENERGY STAR guidelines for energy efficiency.

Products with the ENERGY STAR label are designed to use less energy, help you save money on utility bills, and help protect the environment.

ENERGY STAR® is a registered trademark owned by the U.S. government.

Australia Telecom Statement

The computer must be connected to the Telecommunication Network through a line cord that meets the requirements of ACA Technical Standard TS008.

WARNING: Modems without integral RJ-11 that are shipped with this computer must be installed only in devices displaying the A-tick.

New Zealand Telecom Statement

The grant of a Telepermit for any item of terminal equipment indicates only that Telecom has accepted that the item complies with minimum conditions for connection to its network. It indicates no endorsement of the product by Telecom, nor does it provide any sort of warranty. Above all, it provides no assurance that any item will work correctly in all respects with another item of Telepermitted equipment of a different make or model, nor does it imply that any product is compatible with all of Telecom’s network services.

Some parameters required for compliance with Telecom’s Telepermit requirements are dependent on the equipment (PC) associated with this modem. The associated equipment shall be set to operate within the following limits for compliance with Telecom’s specification:

- **For automatically initiated calls to the same number:**

(a) There shall be no more than 10 call attempts to the same number within any 30-minute period for a single manual call initiation.

and

(b) The equipment shall be on the hook for a period of not less than 30 seconds between the end of one attempt and the beginning of the next attempt.

- **For automatically initiated calls to different numbers:** The equipment shall be on-hook for a period of not less than 5 seconds between the end of one attempt and the beginning of the next attempt.

- **For automatically answered incoming calls:** Incoming calls shall be answered between 3 and 30 seconds of the first ring.

For correct operation of the ringers in each device, the total of the RNs (ringer number) of all devices connected to a single line at any time should not exceed 5. The RN can be found printed on the Telepermit Label.

WARNING: When using this device, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons, including the following:

- Do not use this product near water; for example, near a bathtub, washbowl, kitchen sink, or laundry tub, in a wet basement, or near a swimming pool.
- Avoid using this product during an electrical storm. There may be a remote risk of electric shock from lightning.
- Do not use this product to report a gas leak in the vicinity of the leak.
- Always disconnect the modem cable before opening the equipment enclosure or touching an uninsulated modem cable, jack, or internal components.
- If this product was not provided with a telephone line cord, use only No. 26 AWG or larger telecommunication line cord in order to reduce the risk of fire.
- Do not plug a modem or telephone cable into the Network Interface Card (NIC) receptacle.

SAVE THESE INSTRUCTIONS

Additional Safety Information

This product has not been evaluated for connection to an "IT" power system (an AC distribution system with no direct connection to earth, according to IEC 60950).

AC Power Safety Warning

WARNING: Install the computer near an AC outlet. The AC power cord is your PC's main AC disconnecting device and must be easily accessible at all times. For your safety, the power cord provided with your PC has a grounded plug. Always use the power cord with a properly grounded wall outlet, to avoid the risk of electrical shock.

WARNING: Your PC is provided with a voltage select switch for use in a 115 or 230 VAC power system. The voltage select switch has been pre-set to the correct voltage setting for use in the particular country/region where it was initially sold. Changing the voltage select switch to the incorrect position can damage your PC and void any implied warranty.

WARNING: To reduce the possibility of an electric shock from the telephone network, plug your computer into the AC outlet before connecting it to the telephone line. Also, disconnect the telephone line before unplugging your computer from the AC power outlet.

WARNING: Always disconnect the modem cord from the telephone system before installing or removing your computer cover.

WARNING: Do not operate the computer with the cover removed.

WARNING: Electrostatic discharge (ESD) can damage disk drives, add-in cards, and other components. If an ESD station is not available, wear a wrist strap attached to a metal part of the computer. Place cards on a conductive foam pad or inside the card wrapper, if possible, but never on the card wrapper.

WARNING: For your safety, always unplug the PC from its power source and from any telecommunications systems (such as telephone lines), networks, or modems before performing any service procedures. Failure to do so may result in personal injury or equipment damage. Hazardous voltage levels are inside the power supply and modem of this product.

Lithium Battery Caution

WARNING: The PC uses a lithium battery, type CR2032. There is danger of an explosion if the battery is incorrectly replaced. Replace only with the same, or equivalent, type recommended by the manufacturer. Dispose of used batteries according to the manufacturer's instructions.

Laser Safety Statement

Class 1 LED Product

The CD-ROM and DVD-ROM drives contain a laser system and are classified as a "Class 1 Laser Product" under a U.S. Department of Health and Human Services (DHHS) Radiation Performance standard according to the Radiation Control for Health and Safety Act of 1968.

Should the unit ever require maintenance, contact an authorized service location.

WARNING: Use of controls, adjustments, or performance procedures other than those specified in the *Upgrading and Servicing Guide* may result in hazardous radiation exposure. To prevent direct exposure to laser beam, do not try to open the enclosure of the CD-ROM or DVD-ROM.

Laser Product Label

The following label or equivalent is located on the surface of Compaq laser products:

This label indicates that the product is classified as a CLASS 1 LASER PRODUCT. This label appears on a laser device installed in your product.

TV Antenna Connectors Protection

External Television Antenna Grounding

If an outside antenna or cable system is connected to the product, be sure the antenna or cable system is electrically grounded so as to provide some protection against voltage surges and built-up static charges. Article 810 of the National Electrical Code, ANSI/NFPA 70, provides information with regard to proper electrical grounding of the mast and supporting structure, grounding of the lead-in wire to an antenna-discharge unit, size of grounding conductors, location of antenna-discharge unit, connection to grounding electrodes, and requirements for the grounding electrode.

Lightning Protection

For added protection of any Compaq product during a lightning storm, or when it is left unattended and unused for long periods of time, unplug the product from the wall outlet and disconnect the antenna or cable system. This will prevent damage to the product from lightning and power line surges.

Power Lines

An outside antenna system should not be located in the vicinity of overhead power lines or other electric light or power circuits, or where it can fall into such power lines or circuits.

WARNING: When installing an outside antenna system, extreme care should be taken to keep from touching such power lines or circuits as contact with them could be fatal.

Antenna Grounding

Antenna Grounding

Reference	Grounding Component
1	Electric Service Equipment
2	Power Service Grounding Electrode System (NEC Art 250, Part H)
3	Ground Clamps
4	Grounding Conductors (NEC Section 810-21)
5	Antenna Discharge Unit (NEC Section 810-20)
6	Ground Clamp
7	Antenna Lead in Wire
